Sheiks Score Five Runs in Opening Inning and Are Never Headed; Wetzel Twirls Triumph

BY BOB RAY

Among those leading the Pacific Coast League this morning you will find the names of Hollywood, San Francisco and Sacramento. Yep, the doggone race is all knotted up in one of those triple-tie businesses, and it looks like a battle for blood as well as baseballs until further notice.

San Francisco Scores Win in Last of Ninth Inning; Collect Seventeen Hits

SAN FRANCISCO, Sept. 26.—The Seals were happy tonight by having a third interest in that trophy tie for first place in the Pacific Coast League but they had plenty of work to do in getting there for it took a lot of fancy baseballing to push the Missions underneath a 9 to 8 count.

The Seals went into the ninth leading by a score of 8 to 3 but before Gus Sahr, caught Griffin's line drive to end the first part of the inning, the Missions had shaved over five runs and tied the score. The Seals won in the last of the ninth when Willie Thurston slammed a slug to center to put Gus Sahr over the pan. But there was many a heart flutter before that happened.

Oliver Mitchell pitched great ball for eight innings but in the ninth he lost control and had to be taken

White Sox and Cubs to Clash

CHICAGO, Sept. 26. (AP)—The Chicago City baseball championship series will be resumed this year with Lena Blackburne's White Sox defending the title won in 1923. Appearing before Commissioner Landis, President William L. Veeck of the Cubs today formally challenged the Sox and Harry Grabner, secretary of the champions, accepted. The first game of the series, which will be the best four out of a seven-game affair, will be played October 3 at the White Sox park.

Fullerton Hurls Ducks to Win Over Sacramento Club; French Errs Twice

SACRAMENTO, Sept. 26.—Ray French, who does the shortstop for the Senators, today wide-heaved his team into a triple tie with the Seals and Hollywood for the league lead. Portland defeated the Senators, 4 to 3, and it was French's wildness in the first inning that decided the contest in favor of the Beavers.

With two men out in the initial frame French heaved Brazil's grounder high over Sheely's head, enabling Keesey, who had walked, to score. Then to be consistent, French threw Tomlin's roller past Sheely and Brazil crossed the plate. Tomlin scored on Baker's double against the center-field fence.

The Beavers shoved over what proved to be the winning marker in the fifth inning when Keesey doubled off the left-field fence and Brazil walked the Cardinals

BRITISH DAVIS CUP TEAM ARRIVES; AMERICANS ARE SELECTED FOR BIG MATCH

BY RALPH HUSTON

Important developments in the preparations for the Pacific Southwest Tennis championships, occurred thick and fast yesterday, and the I. A. Tennis Club, which is to be the scene of the net activity, was in an almost constant uproar of excitement.

First, and foremost, the British Davis Cup team arrived intact, direct from Vancouver, for its international team match which is to be played Friday, Saturday and Sunday.

Second, the American team, which is to attempt to repel the invasion, was announced for the first time by club officials.

PLAYERS SEDED

Third, the seeded players in the men's and women's singles events were selected, and announced.

Fourth, all of the courts at the club were kept busy from morning till night while the galaxy of world-wide tennis stars practiced for the event.

Fifth, more visiting players arrived, to swell the total of invading talent.

Sixth, the entry list closed at noon, with about 144 players clamoring to appear in action, while it had been definitely decided to limit the entries to 125.

All of which contrived to keep William M. Henry, club president, and his staff of helpers, Clifton B. Herd, Capt. Grey, Roy Nelson, Ed Berry, "Pop" Jones and Wynn Mace, et al, in a continual furor of feverish activity.

The British cup team, consisting of J. C. Gregory, the captain, I. G. Collins, Edward Higgs and H. W. Austin, arrived at 9:30 from Vancouver, and proceeded immediately to the club to test the courts. They pronounced themselves not only highly pleased, but positively amazed. They unanimously declared the center court to be the best of its kind in the world, and not without some truth. The famous visitors went for a swim in the Pacific in the afternoon, and returned early enough for another workout on the courts.

VAN RYN ARRIVES

Other arrivals yesterday included John Van Ryn, the noted Princetonian, who is sixth in the national rankings; Mrs. Anna McCune, Pacific Coast doubles champion, and runner up in the national doubles; (Continued on Page 2, Column 3)

JONES SELECTS STARTERS

Williams to be at Quarterback When Trojans Take Field Against Utah Aggies Saturday

Howard Jones yesterday announced the Southern California starting lineup for the Utah Aggie game at the Coliseum Saturday—the opener of the Trojan season—and then put his charges through a light offensive drill and a defense against forward passes.

As the boys scrimmaged hard-ends, Hibbs and Selts at tackles, Gower and Boren at guards and Barragar at center.

These boys will stir up the dust first with wholesale substitutions the order of the day as the game progresses. Both Selts and Gower, the newcomers in the line, look like good prospects but they have to win their spurs under fire before they are sure of their jobs. They may show the stuff Saturday, and if they do they will stick.

With the first game of the season two days away, Jones turned the boys loose on goal kicking when practice opened yesterday, and they had quite a session of it before he called them off and sent them to other chores. Marshall Duffield looked like the surest of the lot in the department that has

OLD MAN HARD LUCK THROWS MONKEY WRENCH INTO BRUIN MACHINE; SPAULDING INJURED

BY FRANK ROCHE

A series of unfortunate accidents and incidents which started on the eve of the Santa Barbara game last Saturday when Jerry Rasmuson, star quarterback, was a stricken with sinus trouble and was maxed Tuesday with the injury of Head Coach Bill Spaulding, left the University of California Bruin football machine a wreck when the U.C.L.A. grid-ders turned out for practice yesterday at Moore

Field, for their clash with Arizona Wildcats Saturday. Spaulding was injured, almost seriously, when he fell in the way of a charging member of the goat squad named Terence Alogous Duffy, Tuesday afternoon. The Bruin coach was thrown to the ground and the ligaments in his right leg torn so badly that he was forced to put the limb in a plaster cast.

The other members of the Bruin squad who met with misfortunes are: Stan Gould, first-string tackle; Earl Fields, first-string fullback, and one of the stars of the team; Bert La Brucherie, star halfback, and Carl Brown, first-string tackle. These men were all badly burned during the Santa Barbara game by hot lime which was sprinkled on the field by mistake for the slacked

KIENHOLZ ANNOUNCES LINE-UPS FOR DOUBLE-HEADER SATURDAY

Coach Eddie Kienholz at Occidental College announced the starting line-up of the Tiger warriors for Saturday afternoon, when the Bengals play a double-header against the Santa Ana and Pasadena Junior College eleven at the Rose Bowl, Pasadena. Simultaneously, the line-ups of the "Bengals" rival squads were announced also. Santa Ana faces the Oxy gridgers at 1 o'clock, while the Bulldog eleven of Pasadena takes on the Bengals in the second fracas at 3 o'clock.

Though Kienholz refused to term his teams respectively Men 1 or 2, the line-ups themselves can relate the truth of the story. The bulwark of veteran material and the most beefy found in the squad which Kienholz has chosen to oppose the Pasadena J. C. eleven in the

SOCIETY

BY JUANA NEAL LEVY

Miss Osee Margaret Hughes, the charming daughter of Mr. and Mrs. Herbert F. Hughes of 823 South Detroit street, at 8:30 o'clock last evening became the bride of John Spiers Hanna, son of Mrs. Fred Hanna, the ceremony taking place in the green and white decorated Church of the Messiah, lighted by cathedral candles, with Rev. Edward D. Gaylord officiating.

The bride, given in marriage by her father, was lovely in a gown of white velvet with veil of tulle and Irish point lace, and carried an arm shower of orchids and lilies of the valley. Her maid of honor, Mrs. Hiram Justus Grover III (Helen Broomfield), was gown in delft blue velvet and carried deep rose dahlias, while the attendants, Mrs. Earle Ross, Mrs. J. P. Omer, Jr., Miss Mary Smith and Miss Evelyn Hauerwas, were in velvet of orchid and sunset glow and carried matching dahlias. Dainty Joanne Putnam in peach taffeta and carrying a French bouquet, with a candle lighter preceded the party down the aisle to light the pathway of the bride.

Mr. Hanna chose for his best man Hiram Justus Grover III, and assisting as ushers were Lester Hughes, J. P. Omer, Jr., F. A. Broomfield, Jr. and Earle Ross. David L. Wright played the program of wedding music, closing with "O Promise Me."

which he played softly throughout the ceremony, before which Ivan Edwards sang "Because," "At Dawning" and "I Love You Truly."

Immediately after the service a reception to relatives and close friends was given at the home of the bride's parents, which for the occasion was a veritable bower of peach-colored and white dahlias. Mrs. Hanna received her guests in a gown of ecru lace and black velvet, with which she wore orchids, while Mrs. Hanna, mother of the bridegroom, was gown in blue mirror velvet and wore a similar corsage. Mr. and Mrs. Hanna then left for a honeymoon motor trip through the North, and after October 6, will be at home at 823 South Orange Grove avenue.

Bidden to Tea

Invitations have been issued by Mrs. Joseph F. Sartori for a tea to be given October 1 in her home at 728 West Twenty-eighth street. Fifty guests are bidden to the affair, at which Mrs. Sartori will show many interesting slides illustrating the work of the Community Chest.

Home From Honeymoon

Mr. and Mrs. John McDaniel Delahoyde, whose wedding in the First Methodist Episcopal Church of Pasadena was an event of the 20th inst., have returned from a wedding trip through the South and are at home to their friends at 704 North Wilton Place. W. A. C. Program

Under the joint sponsorship of Mrs. S. L. Kreider and Mrs. John Vrank, a notable cinematograph program will be presented at 8 o'clock tomorrow evening in the garden of the Women's Athletic Club, 853 South Flower street.

The film, "All for a Woman," released in Germany under the title "Danton," is one of Emil Jannings' earlier pictures, but has not been shown in this country until very recently. It is a story of the French Revolution, emphasizing the human elements in Danton's character in contrast to the icy coldness of Robespierre.

"A Trip to the Moon," acted by a little boy and his dog, will be the second feature.

Many dinner parties are being planned by members who will later take their guests to the garden performance.

An Air Sweetener

Better than vinegar on hot coals and more accessible in the warm weather is a piece of orange peel burned on a shovel. It will sweeten the air.

HOUSEHOLD SUGGESTIONS

They Will Stay White

If this precaution is taken when washing white silk hose, they will never turn that ugly saffron shade. Wash them in lukewarm water with ivory soap, then put in a rinsing water of the same temperature that has been made a pale blue with bluing and also contains one tablespoonful of vinegar. Dry in the shade or in a dark place.

HEINZ

Rice FLAKES

The Delicious Breakfast

A New Flavor Like Toasty Nut-Meats!

Heinz Rice Flakes, the delightful new cereal food, give you everything you could wish for in the way of joyous flavor plus the "roughage" you need for health and happiness.

Heretofore, natural "roughage" has not been obtainable in any ready-to-eat cereal food that was really a delight to the taste as well as good for the system. But the "roughage" in Heinz Rice Flakes is the natural "roughage" of the rice itself. You get it as the result of an entirely new process in cereal making owned exclusively by Heinz. This process gives these crisp, crunchy flakes the properties of a gentle, natural laxative. Eat Heinz Rice Flakes every day for enjoyment and better health.

When the hot summer days have gone, and the autumn sun is less intense, many women find their skin is no longer so smooth and soft. The sun has brought out the freckles and the skin is no longer so supple. Tintex is the answer. It is a gentle, natural laxative. Eat Heinz Rice Flakes every day for enjoyment and better health.

Speaker Urges Control Over
City Airports

The major park system of the city was inspected yesterday afternoon by the delegates of the American Institute of Park Executives and Allied Societies, who will conclude their convention today with a visit to the Pasadena parks and the Henry E. Huntington estate at San Marino and a banquet and ball at the Biltmore in the evening. Miami, Fla., was chosen as the convention city for next year over Memphis, Tenn.

Park inspection included Westlake and Lafayette parks, luncheon and a tour of the Paramount studios, followed by a trip through Griffith Park, over Scenic Mountain Drive and visits to the municipal nurseries at Comptonwealth Canyon and Ellysian Park, where a Spanish dinner was served at Recreation Lodge.

MEETE SPEAKS

Of dominating interest at the morning session was the address by George Meete, superintendent of the Department of Playgrounds and Recreation, on "The Advantages of Organized Playgrounds in Public Parks." The public has discarded the idea of twenty years ago to keep on the walks, off the grass and revel in the beauty and silence of nature," he said. "The inception of playgrounds came with the need of recreation for children in congested districts."

"The organized playground is the combination of the park and playground idea of twenty years ago and requires adequate space for all games."

"We are now convinced that landscaping of playgrounds will double the attendance and that expert supervision protects the children from outside influences and encourages family gatherings and a home spirit."

ADDRESS BY WIRTH

Theodore Wirth, superintendent of the parks of Minneapolis, Minn., discussed "Municipal Airports as a Park Administration Function." He contended that "the park administration of a municipality is a proper department that could or should undertake the supervision of municipal airports." He cited a decision by the Supreme Court of Kansas that municipal airports serve recreational as well as commercial purposes and that the management of such ports is therefore a proper function of park administration.

Maj. George W. Braden of Pasadena, western representative of the Playground and Recreation Association of America, addressed the convention on "The Necessity of a Major Recreation Park." He gave statistics regarding nine cities of California where major parks have been established, and outlined the more important elements for consideration.

"Golf as a Self-Supporting Feature in Park Recreation" was discussed by George Hansen, county park superintendent of Milwaukee, Wis., as the concluding address of the session.

There were two separate meetings last night, the American Park Society, Vice-President C. P. Kreyer presiding, and the American Association of Zoological Parks and Aquariums, with Chairman C. Emerson Brown in charge.

HENDERSON TO TALK AT NATIONAL SESSION

The activities of Los Angeles and Southern California in the development of playground and community center activities are to be told to the national convention of supervisors by John C. Henderson, who, accompanied by his wife, left yesterday for Atlantic City, N. J. Henderson took a portfolio crammed with photographs of parks and playgrounds of this city and various other communities of the Southland. Following the convention he plans to make a survey of similar efforts in eastern centers.

Woman Battles for Rescinding of Realty Deal

A plea for the rescinding of a contract wherein she asserts she had traded more than \$72,000 in cash and property for an apartment-house worth less than \$45,000, is being made in a suit brought by Mrs. Van Dali Dunshee against E. J. Henderson, the William Wilson Company and Earl S. Plank, which went on trial yesterday in the court of Superior Judge Bishop. Mrs. Dunshee asserts that she owned \$40,000 worth of property in South Pasadena which she traded, along with \$32,000 in cash, to Mrs. Henderson for an apartment building in Pasadena. At the time of the deal the apartment-house, she was told, according to her complaint, was worth \$110,000. Soon after the deal was made she says she discovered that the property she got was worth only \$45,000.

Guardsmen Set Mark for State

The distinction of leading the State in attendance for National Guard units has descended upon the Service Company of the One Hundred and Sixtieth Infantry, Capt. Harold E. Hopking commanding. This company is stationed with the rest of the regiment at the army in Exposition Park. During August the regiment went to camp and held two weekly drills in addition. At all of these formations the Service Company turned out 98.46 per cent of its officers and men.

During August only one company fell below the 80 per cent mark.

is not opposed to the storm drain
being built, but is opposed to the

ers in districts which have already

PORT LEASE GRANTED
A ten-year lease of 50x180 feet of
land at the southerly end of Seaside
avenue, Fish Harbor, was granted to
the Union Ice Company yesterday
by the harbor board. The company
will erect an ice crusher and store-
room for handling ice for the deep-
sea fishing fleet.

**HOUSES OF VICE
TOLD TO CLOSE**
Davis and Keyes Join in
Wholesale Clean-up
More Than 200 Prostitution
Places on List

**Padlocks Will be Used if
Orders Are Ignored**
Wholesale clean-up tactics against
vice in Los Angeles undertaken in
a joint campaign by Chief of Police
Davis and Dist. Atty. Keyes
were revealed yesterday when Keyes
announced that his deputies are
serving notices to more than 200
houses of prostitution to close their
doors within fifteen days or face
abatement proceedings.
The list of houses was supplied
by Chief of Police Davis. Day by
day the investigators after months of
investigation. It indicates that the
police have disrupted a net of vice
that has been in existence from
Belvedere and Hollenbeck Heights
in the east to the north side Italian
quarter, San Pedro on the south
and even into the exclusive Wil-
shire residential district.

**NEW PLAN
FOR PUBLIC
ANNOUNCED**
Huntington Library to be
Open to Larger Numbers
Beginning Next Tuesday

The Huntington Library and Art
Gallery again will be open to the
public next Tuesday with a new plan
of admitting visitors.
Due to the number of applica-
tions received in recent months, it
has been decided to increase the
allowed number of visitors from 300
to 500 daily and also to add to the
number of visiting days. In the
future visitors will be admitted from
Tuesday to Saturday, inclusive, each
week, and also on the first and third
Sundays of each month. Visiting
hours are from 1:30 to 4:30 p.m.
Applications for cards of admis-
sion should be addressed to the Hen-
ry E. Huntington Library and Art
Gallery, San Marino, specifying the
date and number of admissions de-
sired, and enclosing a stamped and
addressed envelope for reply. Not
more than five cards of admission
will be issued to any one applicant.
Children under 10 years of age will
not be admitted.

**Pier Lessees
Sue "Friends"
for Losses**
Isadore and Burnett Wolfson
used to be the best of friends with
Mike Gore, A. L. Gore, Adolph Ra-
mish and George Cleveland, accord-
ing to the tale they told in Judge
Valentine's court. So when the
brothers Gore and Ramish and
Cleveland offered to let them have
the concession of the Venice ball-
room, just for the sake of old
friendship, they thought it was
mighty nice and took a lease, they
said.
They had been told that the place
was clearing \$500 a week, but that
the lessees had decided as a matter
of policy not to operate any of the
concessions on the pier themselves,
the Wolfsons related.
The first six months, according to
the plaintiffs, they lost \$11,348.29.
The defendants said it was because
of inclement weather, but the plain-
tiffs contend there isn't any weather
that inclement. And so there is a
lawsuit, the Wolfson brothers
seeking to recover their actual loss
plus \$2500 by way of a rebate for
the asserted abuse of friendship.
Trial will continue today.

**Driver of Death
Auto Arrested**
David J. Shepherd, investigator
for the Southern Pacific Railroad
Company, who resides at 9300 South
Hoover street, was arrested on a
manslaughter charge yesterday as
the result of a verdict of the Cor-
oner's jury which yesterday held
him to be responsible for the death
of Mrs. Charles Scioritino, 37 years
of age, of 1018 Adams street.
Mrs. Scioritino is asserted to have
been run down by Shepherd's car on
August 19, at Culver and Centinella
boulevards. She died on the 20th
inst. Shepherd was placed under ar-
rest at Central Station yesterday by
officers Christian and Caldwell
of the Venice station, and was
booked at Central Station.

COUNTY FUNDS' USE URGED
The North Hollywood Chamber
of Commerce yesterday asked the
City Council to provide that 40 per
cent of the cost of the proposed im-
provement of Leukerthine Boul-
vard, from Burbank Boulevard to
San Fernando Road, be paid from
general funds received from the
county of Los Angeles.

uled for Monday, October 1, next,

CARRILLO PLAY WILL END RUN

"Best People," a Comedy, Follows "Lombardi" Into Hollywood Playhouse

Henry Duffy has decided to end the run of "Lombardi, Ltd." in which Leo Carrillo and the Henry Duffy Players are appearing at the Hollywood Play House, on October 6. At that time the Frederic and Panny Hatton comedy will have completed a ten weeks' run. Duffy will send Carrillo to Portland to open his new theater, the Duwin, October 14, in "The Bad Man."

The succeeding attraction will be "The Best People," opening October 7, a comedy by David Gray and Avery Hopwood, which had a long run in New York.

For the featured role that of Millie, the chorus girl, Duffy has engaged Marion Lord, comedienne. Miss Lord played Millie throughout the twenty-six weeks' run of the comedy at Duffy's President Theater in San Francisco, and afterward starred in it for fourteen months in Australia under Duffy's management. On Broadway she created the role of the bootlegger's wife in "Tarnish" and of Evelinda Hendon in the mystery play, "The Last Warning."

She also played with Henry Miller in "The Famous Mr. X" and was in the New York production of "The Red Geranium."

Natalie Moorhead and Montague Shaw, who made impressions in "The Baby Cyclone" at El Capitan, also will be in the cast, as will be Jason Roberts, who returns to the Duffy management after acting in Vitaphone special.

Olive Cooper of the "Lombardi" cast has been engaged. Florence Roberts will be seen as the mother, and Earl Lee as George Crafton. Both Miss Roberts and Lee were in the San Francisco production of the comedy.

Allen Connor will be seen in his original role of the son, which he created in the eastern production of the play.

"The Best People" is a comedy of social conflict.

Tiffany-Stahl Stars Appear at Premiere

Tomorrow night will be Tiffany-Stahl night at the Boulevard Theater, when "The Grain of Dust" will have its premier showing with members of the cast and studio officials in attendance. There will be arc lights in front of the theater, and the opening is characterized as "colorful."

Ricardo Cortes, Claire Windsor and Alma Bennett have stellar roles and will appear in person at the opening, as will other members of the cast, including Richard Tucker, Jed Prouty and John St. Polis, the management relates.

"The Grain of Dust" is an adaptation of the novel by David Graham Phillips, and is the dramatic story of a man's struggle between false passion and true love.

Jimmy Hodge, musical comedy star, made such a hit during his opening week with the Boulevard Revue, that he has been retained for another week, and will offer unique bits from his repertoire of repartee, in addition to song and dance numbers.

The Boulevard under the direction of Owen Evans, plans new numbers for the coming show, and "Red" Corcoran, banjoist, will offer numbers.

"CAT AND CANARY" COMES TO LINCOLN

The final performance of "East Is West" will be given tonight at the Lincoln Theater, with Evelyn Proer, leading member of the Lafayette Players, essaying the role of Ming Toy, which Fay Bainter created so successfully.

Tomorrow night, Thurs, will reign supreme at the Lincoln. "The Cat and the Canary," hailed as one of the creepiest and most exciting mystery plays ever written, will be staged. "The Cat and the Canary" has created a veritable sensation in every city throughout the country, and its presentation on the Lincoln stage marks the first time that colored players have appeared in it.

CALDWELLS EDIT NEW GOLDWYN PHOTOPLAYS

Capt. H. H. Caldwell and his wife, Katherine Hilliker, who recently returned to Hollywood after a long vacation in Europe, have finished editing and tiling the new Samuel Goldwyn production, "The Awakening." This is Goldwyn's first starring vehicle for Vilma Banky since she shrewd producer separated the team of Banky and Colman. Walter Byron, who has been signed by Von Stroheim to play opposite Gloria Swanson in her new picture, is Miss Banky's leading man.

The Caldwell-Hilliker combination also has been engaged for a similar assignment on Ronald Colman's first starring vehicle for Goldwyn. It is to be a pictureization of Joseph Conrad's novel, "The Rescue," and Herbert Brenson is directing.

MISS VALLI LIKES STAGE

Virginia Valli, who made a decided hit in "Tarnish" at the Hollywood Music Box premiere, has not deserted the screen. Like other motion-picture stars, Miss Valli desired to test her voice on a tangible audience instead of unseen thousands and now that she has done so, will probably divide her time between stage and screen.

JOLSON'S BRIDE IN TALKIE

Mrs. Al Jolson, whose name has just been changed from Rubye Keeler by virtue of the recent wedding ceremony, will be seen and heard at Loew's State tomorrow in her first appearance since becoming a bride.

Mrs. Jolson, nee, Miss Keeler, is the star of a Fox Movietone novelty subject, "The Bridal Tap Dance," which is an added feature of the new show. The patter of the dancer's feet will be heard to the music synchronized therewith. The courtship paid by Jolson to

From Racketeer to Romancer

It's a Far Cry From the police captain of "The Racket" to the lover of "The Mating Call."

Thomas Meighan, hero of both, is pictured in a scene from the latter film with Renee Adoree. The screen translation of Rex Beach's novel opens tomorrow at the Metropolitan.

FOUR SPECIALS COMING

Four of the most widely discussed productions of the season will follow "Revenge" on the screen of the United Artists Theater during the ensuing months. They are "A Woman Disputed," starring Norma Talmadge; "The Awakening," with Vilma Banky; "The Love Song," featuring William Boyd and Lupe Velez; and "The Rescue," starring Ronald Colman. These four pictures have been definitely booked for the United Artists Theater and will be given their western premieres here.

"A Woman Disputed," presented by Joseph M. Schenck, is an adaptation of Donnison Clift's stage play. It is a story of a woman's struggle between false passion and true love. It was directed by Victor Fleming.

"The Awakening" is Miss Banky's initial individual starring vehicle and was produced by Samuel Goldwyn. Walter Byron, a new screen discovery, has the principal male role and Louis Wolheim will be seen in one of his greatest characterizations in this production, which was directed by Victor Fleming.

New Night Club May be Built

"Los Angeles is growing so fast," states Frank Sebastian, "that a downtown night club patterned after the Silver Slipper and Tex Guinan clubs of New York is necessary to keep pace with its growth."

According to the owners and manager of the Cotton Club and Cafe Alhambra of Culver City, ground-breaking at an unspecified place will be started just as soon as architect's blueprints are complete.

Merna Kennedy, Charles Chaplin's leading lady, has been awarded the honor of turning the first shovel of earth when the ground-breaking ceremony takes place. This was arranged for, according to Sebastian, when Merna Kennedy was planned for Thursday at the Cotton Club. Miss Kennedy will not only appear in person Thursday but will execute a dance of her own creation, it is said, with star Fisher and his sixteen-piece dancing orchestra providing the music.

Friday night is collegiate-dancing-concert night and Sunday, James Hall night in honor of the Paramount player.

"DELINQUENTS" PLANTED

Reformatory "Inmates" Studied System, Story Related

Attending a reform school is the newest profession in the movies. For Cecil B. De Mille, runs a story, requiring authentic information on American reformatories for his latest production, "The Godless Girl," now in the last two weeks of its engagement at the Biltmore Theater, accurate information on the life, treatment and living conditions of inmates in various institutions of the kind.

With this valuable data, De Mille was able to present a typical reformatory in "The Godless Girl," a story of modern youth sensationalized by American reformatories for his latest production, "The Godless Girl," now in the last two weeks of its engagement at the Biltmore Theater, accurate information on the life, treatment and living conditions of inmates in various institutions of the kind.

Sammy Cohen to Lead Stage Act

A last-minute booking arrangement will bring the screen star, Sammy Cohen, to the Metropolitan Theater tomorrow as the headline act in the Public stage presentation, "Seeing Things."

Cohen is a favorite among all Los Angeles and Hollywood categories, who have seen his comedy impersonations and dances. He first gained screen fame in his role of Private Levinsky in "What Price Glory," since that time he has been co-starred in a number of Fox feature-length comedies. He was last seen with the late Ted McNamara. Sammy will be featured in the stage presentation at the Metropolitan.

Henry Busse will enter his second week as master of ceremonies and musical director on the stage.

SHE DANCES OFF

Lina Baquette, who plays the title role of "The Godless Girl," present Biltmore Theater attraction, has characterized a stage performer in every picture she has made with the single exception of this De Mille film, "Serenade." "The Noose," "Celebrity" and "Snow Folks" all portray her as a dancer. Before entering pictures, Miss Baquette was a star of Zigfield Follies.

Interest Keen in Dramas of Spanish Type

For the first time in Los Angeles and probably on this side of the Mexican border, a serious effort is being made to institute a Spanish-language theater.

The value of such a movement was demonstrated by Senora Virginia Fabrega and her company of some twenty-five players at the Capitol Theater last night. The near-capacity audience witnessed, with approval, the presentation of the play, "Calla Corazon," written by Felix Sancen, a Peruvian playwright and former newspaperman.

In its interpretation, Senora Fabrega shines forth as the star. She is supported by Julio Villalobos, stage director, and Manuel Sanchez Navarro, her son. Elisa Aspero gives a portrayal of the younger sister. There is a typical glamour about the Spanish-speaking stage that strikes a stranger. First, it is the prompter's box in the center of the footlights, with the prompter reading the lines to the actors. This is done because the company presents a different play each night, a large task. His body beneath the stage and his head and shoulders above the prompter has not been seen on the English-speaking stage for many years.

Senora Fabrega's appearance here offers a rare opportunity for all students of Spanish. They will be able to acquire a deal of practice in conversation by listening to the slow and clear speaking of the actors.

It was announced last night that every Friday's performance hereafter will be dedicated specially to the Spanish students of Los Angeles county's schools and universities. Plays that are familiar to American audiences will be presented. Oscar Wilde's "A Woman of No Importance" will be the first offering Friday evening.

"The Grand Galeotto," from which the screen version of "Lovers" was made, will be Senora Fabrega's presentation this evening.

Grauman Favors Writer's Work

When "White Shadows in the South Seas" terminates its engagement at Grauman's Chinese Theater at an early date, to Jack Cunningham will go the distinction of having written the scenarios for three pictures to have long runs as did Grauman's presentation. He wrote the scripts for "The Covered Wagon" and "The Black Pirate," in addition to the tropic film.

The writer prepared the scenario for "White Shadows" in 1914, but had just started the script when he was notified that the bi-monthly boat for Tahiti, where the entire picture was filmed, would sail within forty-eight hours, with the company aboard. By burning the midnight oil, he managed to complete the task on time.

Play May Equal Success in East

"Tarnish," produced at the Hollywood Music Box by Dixie McCoy, starts off with a flourish that seems to indicate a duplication of the success of this play in New York. Miss McCoy has been generally fortunate in her selection of a cast and the play itself has elements of popular appeal.

Albert Gran is giving a portrayal of the philandering old husband, the part he created in New York, and is covering himself with considerable glory in this, his first appearance in the spoken drama in the West. Virginia Valli shows altogether surprising talent for stage characterization and her charm as a screen personality is heightened in her present surroundings. Barton Hepburn is cast in an outstanding role and Pauline Garon ramps her way through the plot.

Others in the cast who stand out conspicuously are Maude Turner Gordon, Fan Bourke, Duane Thompson and Mattie Edwards.

Criterion Will Honor Officers

A group of prominent civic officials, business men, Army and Navy officers, will gather at the Criterion Theater, tonight, for the dedication of the officers and executive committee of the California Air Race Association for the success achieved in the National Air Races and Aeronautical Exposition at Mines Field recently.

Speeches by well-known orators are planned as a part of the ceremonies, after which all will see special showing of Paramount's air picture, "Wings."

SEA TALE LEADS NEW SHRINE PRESENTATION

Today begins one of the biggest double bills yet presented at the Shrine Theater since its opening a few months ago, according to the management.

"Hell Ship Bronson," with Noah Berry and Mrs. Wallace Reid in the featured roles and an able supporting cast, is naturally a tale of the sea.

On the same program, Betty Compson is seen in "The Ladybird." Romantic New Orleans is the locale. A large cast is seen in support of Betty Compson - Malcolm McGregor, Ruth Stonehouse, Hank Mann, John Miljan, Sheldon Lewis and Leo White.

OLIVE BORDEN CAST

Olive Borden seems to be a favorite with FBO, judging from the number of pictures in which the concern has started her this year. Only recently, she completed "Sinners in Love" with Huntly Gordon as leading man. Now she is to be another actor's sweetheart in "Love in the Desert," which George Melford will direct for FBO.

MARIAN NIXON FINISHES

Marian Nixon has completed the title role in "Geraldine" for Pathe. This is Miss Nixon's second important picture for as many studios since she became a first-class actress, first being as leading lady for Richard Barthelmess in "Out of the Ruins," which reportedly comes to the Metropolitan within a short time.
